TECHNICAL SKILLS

Languages: C++, Python, JavaScript (ES6+), SQL, Java

Web Technologies: Next.js, FastAPI, React.js, Node.js, Tailwind CSS, Docker

Data & GIS: Google Earth Engine, PostgreSQL, MongoDB, ArcMap GIS, Predictive Modeling, REST APIs

Developer Tools: Git, GitHub, Postman, Linux (Ubuntu), VS Code, Docker Desktop

WORK EXPERIENCE

Indian Institute of Technology (IIT), BHU

Varanasi, UP

Project Assistant

Sep 2025 – Present

- Architected a **Decision Support System (DSS)** utilizing computational models to analyze institutional datasets, improving decision-making accuracy by **25%**.
- Optimized backend data pipelines in Python, reducing automated data analysis processing time by **80%** (from 4 hours to 45 minutes).
- Collaborated with senior research leads to develop **5+** predictive models, resulting in a **15% reduction** in project resource forecasting errors.

TECHNICAL PROJECTS

Blockchain-Based Secure Voting App | Solidity, React, Node.js, Ethereum

Jan 2026

- Engineered a decentralized application (DApp) on the Ethereum network, reducing transaction latency by **12%** through optimized Smart Contract logic.
- Implemented secure wallet authentication for **100% tamper-proof** voter verification using Web3.js and Metamask integration.

Employee Management Portal | Next.js, FastAPI, Docker, PostgreSQL

Nov 2025

- Developed a multi-tier dashboard using **Next.js** and **FastAPI**, managing **500+** employee records with sub-200ms API response times.
- Deployed containerized microservices using **Docker**, reducing local environment setup and deployment time by **60%**.

Geospatial Analysis & Mapping | ArcMap GIS, Python

Sept 2025

- Processed large-scale spatial datasets using **ArcMap GIS**, identifying **3** high-priority development zones through advanced thematic mapping.
- Built Python automation scripts that saved **10+** hours per week of manual data entry for geographic attribute tables.

EDUCATION

Banaras Hindu University (BHU)

2023 – 2025

Master of Computer Applications (MCA) – CGPA: 6.84

Varanasi, UP

PPU Kisan College

2019 – 2022

Bachelor of Science (Mathematics) – Percentage: 77.37%

Nalanda, Bihar

CODING ACHIEVEMENTS

- Solved **1000+ Problems** on **Coding Ninjas** (Ranked in the Top 1% of global users).
- Earned **Gold Badges** in Python, C++, and SQL on **HackerRank** after solving 200+ challenges.
- Active problem solver on **LeetCode** and **GeeksforGeeks** with **300+** combined DSA problems solved.
